Documents demonstrating the management and operational capacity of the firm / joint venture (Brochures, Company Profile and other documents describing company expertise, strength and experience, core functions, products and services, similar assignments or project experience, availability of relevant professional staff and experience among applicant's staff/resources to carry out this assignment. 14. The firms may associate to enhance their qualification in the form of a 'joint-venture' (JV). Association with foreign company is allowed. To form a strong association combining all required strength, experience and expertise, Joint Venture is preferable for this EoI application. All members of such an association will be individually liable for pre-determined real and well-defined inputs to the assignment. The maximum no. of members in the association is limited to three (3). The firms must declare one firm in this association as the 'Lead Firm' (lead firm & member firm jointly must need to fulfill all the requirements of EoI). In case of JV (Joint Venture) all above mentioned capabilities, expertise and experiences can be considered as combined strength but that should be mentioned precisely. 				
		Bangabandhu Sheikh Mujib Medical University now invites eligible applicants to indicate the interest in providing the services. Interested firms/ joint-ventures (JV) farms are invited to provide information indicating that they are qualified to perform the services. This shall require substantiation through submission of brochures and other documents describing similar assignments, experience availability of appropriate professional qualification and experience among applicant's staff, resources to carry out the assignment, financial logistical capability, etc.				
		A shortlist of firms/JVs will be prepared upon evaluation of EOIs of the eligible applicants and 'Request for Proposal' document will be issued in their favor. A firm/JV will be selected using the Quality and Cost Based Selection (QCBS) method. Interested Applicants may obtain further information by
