Notice Call for abstract submission

This year Bangabandhu Sheikh Mujib Medical University (BSMMU) in collaboration with Médecins Sans Frontiers- MSF (Doctors Without Borders) is going to organize 'MSF Scientific Days- Asia 2023' on the 9th of October 2023, at Bangamata Sheikh Fazilatunnesa Mujib Convention Hall.

'MSF Scientific Days-Asia 2023' is a conference to showcase research, innovation, and experiences from treatment and humanitarian programmes across the region. MSF Scientific Days bring together researchers, practitioners, and academics to catalyse improvements in the quality of care provided to patients and populations at risk. Since 2015, MSF Scientific Days has been providing a platform to a range of experts working in the humanitarian and academic fieldsto showcase their research and innovation work to enhance and exchange knowledge about the trends and challenges in innovation and healthcare.

If you have conducted research in recent times that has the potential to instigate interest in the research community, you are invited to submit your abstract by June 30, 2023, using the following link-

<https://msfsd2023.abstractserver.com/submission/#/login>

You have to open an account for submitting your abstract. All the submitted abstracts will undergo extensive review by an expert review committee and the best abstracts will be selected.
